

THE LAMPKIN FOUNDATION

COVID 19 RESPONSE PROJECT

A BRIEF BACKGROUND

At the onset of Governor Gavin Newsom's Safer-at-Home order, the Lampkin Foundation transitioned operations to provide hot meals to Ontario residents who are furloughed, unemployed, or unable to take advantage of social services due to COVID 19 pandemic restrictions. We initially opened this service to Ontario seniors. However, when our number of recipients continued to be low and resources were in abundance, we opened up the service to all Ontario residents while giving priority to seniors.
